## GENERAL INDEMNITY

Whilst every care has been taken to ensure the safety of guests and their possessions, whilst enjoying Riverton farm, the owners and staff do not accept any liability in the event of bodily harm / injury / illness / death and / or loss of property that could arise from contact with the animals on the farm, from the use of accommodation, any equipment, facilities or amenities, the use of the river, dam, garden, farmlands and farm water or for any other reason whatsoever.

Guests are not allowed into the horse paddocks or animal pens. **For your own safety and the safety of the animals, guests may under no circumstances open the animal enclosures.** For your safety we have several intelligent German Shepherds that freely patrol the farm.

## BREDE RIVER, FARM DAMS AND FARMLAND

Any guest or their visitors using the river or the farm dams and the surrounding farm land, for fishing, swimming, canoeing, paddle-skiing, walking, jogging or for whatsoever purpose, are using these amenities entirely at their OWN RISK and that they are fully aware that there are NO life saving facilities of any nature provided.

## MINORS

Minors are the sole responsibility of parents, legal guardian(s), or the person(s) in whose care they are whilst visiting or making use of any of the facilities or amenities.

## WATER

I understand that the water in the taps comes from the farm dam and has not undergone any purification process and as such undertake to ensure that I and my spouse/partner/family/children/friend(s) will only drink the water specially provided in the bedrooms or from the reverse osmosis tap in the kitchen.

## LOSS OR DAMAGE

Should the guest house, the animals on the farm, or other farm buildings or crops suffer any loss of damage as a result of an act or omission by a guest or a visitor of a guest, the guest will remain liable for full reimbursement of such loss or damage incurred and will be billed accordingly.
